Expressions of interest

As a **FULL** member of Richmond Shakespeare Society you can take part in all aspects of making live theatre and can also help with the administrative tasks essential to the running of the Society.

Our **AUDIENCE** members, while not involved in the production aspects of the Society, are very welcome to help with those necessary administrative tasks.

Please tick the boxes below to indicate which areas of our activities you might want to be involved with. You do not have to tick any if you do not wish to do so. Your support, as a member, is appreciated regardless. For anything that you do tick you will be contacted, on the email you have provided, by the relevant RSS department head(s) or their representatives, to discuss how you can help.
